

Kitchen Clean Up Jobs

Cooking Station

Finish washing any remaining dishes, wipe down the cooking station including the stove, dry and organize the cutting boards, empty the trap in the sink.

Toolbox and Compost

Take everything out of the toolbox. Make sure all knives, tools, and other items are clean and in their proper place. Empty the compost bin, rinse it, and place it back on the table.

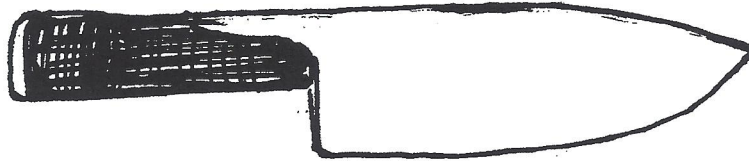

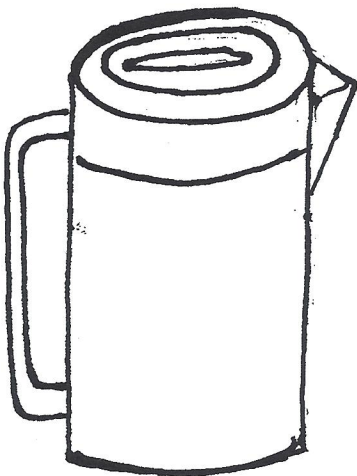

Table Cloth/Water Pitcher/Centerpiece

Refill the water pitcher and put it back in the fridge. Put centerpiece back on the Altar. Shake out tablecloth outside. Fold and put in the cupboard if clean and in the hamper if dirty.

Sweep

Sweep under and around your table and cooking station. Sweep piles into a dustpan and empty into the trash.
