

## Weighing Our Harvest

**Instructions:** List items harvested from the garden:

1. Brightly colored \_\_\_\_\_
2. Heavier than your shoe \_\_\_\_\_
3. Grows on a tree \_\_\_\_\_
4. Grows on a bush \_\_\_\_\_
5. Dug up from the soil \_\_\_\_\_

**Make a hypothesis (a smart guess).**

- Which fruit or vegetable weighed the most?
- Which weighed the least?

**What happened at the end of your experiment?**
