

The Germination of a Bean Seed

Directions: Please write your haiku below. Use your observations to inform your haiku. Try to use one or two of the vocabulary words from your worksheet in your haiku. Remember that a syllable is a single sound within a word. “Remember” has three syllables - re-mem-ber. “Single” has two syllables - sin-gle. “Word” has one syllable - word.

If you are having a hard time getting started consider these questions: What did you notice? What did watching the video make you feel? Think about?
