CIRCLES OF CONNECTIONS

Student Worksheet

Name _____

Directions: The first time you use this worksheet, answer the following questions.

Write about you

Write your name and something you want people to know about you.

Write about your community:

Write down your answers to following questions (feel free to name specific people or groups)

- Where do you feel you belong? Who do you feel comfortable with?
- Who shares common experiences, ideas, and identities with you?
- Who matters to you?

What is beyond your community?

Think about what is beyond your community. These are structures and systems that influence you and your community. For example, the media, government laws and policies, etc. Generate some more examples of systems or structures outside of your community:

What else do you want to share?

What do you care about? Hope for? Want to see in the world and for your community and family? Feel free to write anything you want to add.
