

## **Breakout Room Activity #1**

**To Do:** Develop an idea for an activity that is cooking or gardening-based, and aligns to one of the Common Core standards below:

- **SL.6.1.** Engage effectively in a range of collaborative discussions (one-on-one, in groups, and teacherled) with diverse partners on grade 6 topics, texts, and issues, building on others' ideas and expressing their own clearly.
- **RI.6.4.** Determine the meaning of words and phrases as they are used in a text, including figurative, connotative, and technical meanings.
- **RI.6.7.** Interpret information presented in diverse media and formats (e.g., visually, quantitatively, orally) and explain how it contributes to a topic, text, or issue under study.

As you work, use these guiding questions to help develop a truly standards-aligned activity.

- Will every student have an opportunity to engage?
- How integrated are the standards to the primary lesson objective?
- How integrated are the standards with hands-on cooking and gardening practices?
